| Customs Tariff No.                                                              | 96039010       |
| Country of origin                                                               | Denmark        |

New equipment should be cleaned, disinfected, sterilised and any labels removed, as appropriate to its intended use, e.g. high risk vs. low risk food production areas, general hospital areas vs. intensive care units, before use.

1. See Declaration of Compliance for further details on food contact
3. Do not store the product below 0° Celsius.
